## Remembering William K. Baker

It is with great sadness that we share with you our longtime board member William (Bill) Baker passed away unexpectedly on May 30th. Mr. Baker was an avid library user and supporter. His almost daily presence borrowing materials, chatting with staff and community members, visiting the Children's Room with his grandchildren and teaching technology with SeniorNet will be sorely missed. Mr. Baker understood the Library's mission, his role as a trustee, and he always showed great compassion toward Library staff. He was a part of our Harborfields Family and was truly a remarkable man. ## VISIONS of experience

30th Annual Senior Art Show  
September 2018

Get your creative juices flowing this summer! There's still time to imagine and complete your original artwork for display in our Gallery with other local artists aged 60 and above this September. As has become the custom over the past three decades, this Exhibit celebrates the enriching views of the world as seen by the visions of older artists in our community. Exhibitor forms complete with guidelines are now available at the Reference Desk and online.

### Music & Memory Give the Gift of Music to an Elderly Relative

We often take music for granted. But reconnecting people with the music they haven't heard for years has a powerful affect. Perhaps you have an elderly relative living in the Harborfields District who would benefit from the Music & Memory Program. An iPod shuffle will be loaded with music customized to their favorite lifetime music in a package that is usable by seniors and caregivers. For more information, please pick up a Playlist Questionnaire at the Reference Desk.

### Check out A New York State Empire Pass or Museum Pass Today!
