Maritime Smuggling on Long Island: From Pirates to Rumrunners

A Virtual Lecture

Tuesday, November 10, 7:00 PM

Listen to a PowerPoint lecture by historian, author and former Newsday reporter Bill Bleyer to learn why pirates like Captain Kidd were attracted to Long Island at the turn of the 18th century and how a visit by Kidd to Gardiners Island led to him dying on the gallows in London. And learn why Long Island was so attractive to bootleggers during Prohibition that it became known as Rum Row and was frequented by bootleggers like William "The Real McCoy" McCoy and gangsters like Dutch Schultz. Registration is required to receive a Zoom link.

Savvy IRA Planning for Baby Boomers

Strategies To Get More Out Of Your Individual Retirement Account

Wednesday, November 18,
6:00 PM

Baby Boomers are asking: Which type
of retirement account is right for me?

Can I still contribute and how much? What do I need to know about withdrawals – when, how much and how are they taxed? What happens to my IRA when I die? In this workshop, you will learn important IRA rules for traditional and Roth IRA's and Roth conversions; how direct and indirect rollovers work; and special considerations for spousal and inherited IRA's. [You will also learn three common IRA mistakes and how to avoid them; four strategies for smart IRA planning, recent rule changes based on the CARES Act and the SECURE Act, and how to coordinate your IRA planning with your overall investment, retirement, and estate planning and with Social Security retirement benefits.] Please register to receive a Zoom link.

Leaves Fall, People Shouldn't

A Virtual Falls Prevention Workshop

Tuesday, November 10, 3:00 PM

Every second, an older adult falls—making falls the leading cause of injury and death among older Americans. Fall injuries are more common than strokes and can result in health problems that are just as serious. Falls are the number one reason older adults lose their independence. But, falls are not inevitable. Some simple steps to prevent falls can help you or those you love stay active, confident and independent. Registration is required to receive a Zoom link. This program is brought to you courtesy of your Town of Huntington Public Libraries and Northwell Health.

ancestry Library™

Access to the Ancestry Library Edition has been temporarily expanded to include Harborfields cardholders working from home. Ancestry Library Edition will give you access to billions of names in thousands of genealogical databases including Census and Vital records, marriage and death certificates, Social Security Death index and more. NOTE: Patrons should read the terms & conditions and privacy policy before using this resource. Policy links are located at the bottom of the Ancestry Page. Find the Ancestry Library button on the Harborfields Library homepage.

Introduction to Ancestry

Thursday November 12, 7:00 - 8:30 PM

This Zoom class will show you how to get started using Ancestry, the world's largest genealogical database. Until the end of this year Ancestry is available from home with your Harborfields Library Card, so this is a great time to get started with your genealogical research. Registration is required, Harborfields patrons only.

Getting the Most from Your 23 & Me DNA Report

Thursday, November 19, 6:00 PM
